1. I love you. I love you. I love you Ted, and this love potion-motion is of me, you investigating and exploring and sinking deeper into me not; but coming full steam ahead, into me, into my deepest loves, love, and that which is my innermost loving each of mankind, not; but them being me, loving me. I love you.

2. See what I have said/pronounced judgment upon, not; but pronouncement of my love in/for all. I love you more and more, and more and more you will see me/my love, loving my lovers loving me. I love you.

3. See the times changing, not; everything, in your life/lives that now you affect; and bring now into subjection, not; but freeing them from it, all; from it all, from all subjugation. And all the choir said "yes and amen!"

4. I laugh and made you laugh, not; but you did, you brought it up and out and let it/me/laughter out, laughing as you typed this, and Ted, I did; thank you for laughing and letting me come forth/bubble up and bring forth the joy joy'd that my joy is/consists of. I love you/laugh with you, every time; every single time.

5. See.

6. This is the moment of my appearing like no one has thought, demanded, nor imagined. I am me coming in glory/clouds, the clouds of man, not; Zion. I love you Zion and me'd and who else is there but me Zion?

7. I am one with/with one in Zion. Jerusalem stands and watch me cavalcade all, not; but bring reinforcements/enforcements of me, not like thought, in thought molecular, but fire and brimstone, not; but me in father one you and all who choose to surrender/surrender. I love you all.

8. This is the moment of my appearing and watch me split the clouds like no one suspects/expects, no one. You/save you, I've told, revealed, and who can see the handwriting on the wall that explained all the handwriting,s? I love you.

9. Who can see? Who will dare? Who will forsake all and follow me/my word,s and in the/that process be, become that which my word is,

forsaken flesh still in it that loves all who forsake all, not; but loving all who fight/disdain me and loving them still I gave/give my life for them. And seeing me/my love, many bow to surrender to my love in them, that they find in them, laughing at sorrow, not; but sorrow now giving way to laughter and who the daughter of Zion is, was, and ever more shall be, again. I love you daughters of/in Zion. Coming forth, bringing forth, birthing Zion. I love you all.

10. This is the moment of conflict gargantuan. See it settled, not; but going incessantly and heretofore not realized so serious, begins to permeate all, cultures all, with opinions, not; but forces of me/not-me. See what I am saying and enjoy my smile during all/it. I come, I call, I conquer. Heard that before? Yea many times I've spoken it/those words. I conquer in love, domesticated not for one's purposes nor nationality's purpose, I come and free and give the love of me to me, having predestined it all, not; but for those all who choose now to see my destiny in them, my desire, my heart of hearts, in them, oh Zion all, who choose, to be/become. I love you.

11. In between before your eyes? Behind them. I love you all. Zion is. Zion mine; replicated not but coming forth in financial difficulty not; but the world plays out and who is left then, when all not-me replicateth not but slaggles-slithers into the grave?

12. This is the moment of my appearing and conflicts arise in calm storms, not; but erupt in cataclysmic forces of once-thought-secure ones, places, institutions, governments. Watch me erupt not in courts of law but whose law is law and whose love/laughter is mine? Watch me.

13. I can myself do nothing. Thank you. Thank you. Preach. **Reach into me for more and let not your heart be troubled at anything, nor any foe** or fate established, not; for all who will are me and Melchizedek reigns in horror, not; but perfect love and no fear exists/can exist there in me. I love you. Melchizedek imposters? Nay, but try so do/have/will again: all thieves and robbers. I am the way truth and life and whoso cometh into me becomes me. See the robbers stopped and guns and loot made worthless, and casting them aside, having nothing to do but hide.

14. I love you ramrod, not; but secure in my wordforth, wordship, now teaching wordship-surrender to all who say now/embrace "I of myself can do nothing", doeth nothing, and now waiteth in rest/calm for the storm to pass, not; but being in the eye/the eye controlleth all things, not; controlleth nothing, but letting father's works flow through all unimpeded, uninterrupted, uncontrolled, and creating that which is already. See what I have said/stated and interrupting me not; allow

me to flow/stream my words far more, faster, and unabated. Unresolved, not; all resolves into me/mine. I love you all.

15. My/your mom, mine. I love you/her.

16. My glory abounds. Seek not another, I am one.

17. This is the time and Jerusalem beckons, I beckon. I come I call I conquer with resistance, none; I control all, not; for I let, I let, and you letting me now all you in forces not seen, not; now all see/feel, making choice now inevitable, not; but comprehending so little, past; now sees all in force/surrender of only me/mine, you now one bringing forth ones of my name, not; my character essence attributes and fully me me'd. I love you all. Amen.

18. Go in peace, not; for is there any on/in earth? Nay, yea, and what **who can see the difference and be/become unaffected entirely by what goes on there, here, bringing the real here and/while the unreal vanishes, vanquished? By who? The surrendered/Melchizedeks order of one/me. That's who/me, you, and all who surrender fully fully-ized; and mechanical, not;** but flesh of my flesh, bone of my marrow, my marrow and bone theirs, our blood each others and all made of wordflow of oneship redeemed-proclaimed; and rising to the top, not; but being it/upon all things my desire, perfected. See. All there. Amen.

19. Go, thank you. I take you there/in me. Proclaimed so that the world,s therein know without I am no more, my body reigns supreme in surrender real, **kingdom of heaven manifest in one so simple, child real,** imposing-not, using my name, not; his, father's, one; we three/all are one real and true'd. I love you all. Amen.

20. Go in peace/surrender.
21. Laugh more, pretense, none.
22. Joy released in joy; you are my joy.
23. **Joy show many/more now and always now and forever.** Amen.

24. Many friends, acquaintances unlimited, thou formest rings of satan, not; destroy them; mine only, left/remain,ing. I love you all.

25. The morning sings in me.
I reign supreme.
All rule, dominion, strife, conquered.
Death? What is that?

26. I am'd I Am.
All things powerful, beautiful, lovely; my design incarcerated no more.
Zion sings/rings out with my love.
Rings out with my lovelies.
Loveliest, all: me/you all who surrender.
One be.
Quasi-cataclysmic, not; fully. The earth shakes.
Who is left/what will be left?
You. Where?
In my arms/me.
I love you.

27. Fear nothing/satan not; for face to face you see soon, all too soon, not; forestalled was, clock stopped momentarily for father said. But now accelerates all does/do. You have nothing to fear. I am I Am. Who have you become? Establisher of Zion, not; revealer one. Thank you. Amen.

28. Go. Come. Never leave, you now exist in all. Layers incarcerate not, time has not bearing/existence in about or dragging in/on you. You fly/your flight now in me, all over throughout and understanding all, not at first, but will, do, having **become**.
Thank you for **becoming** me/who I am.
The/my greatest compliment of all.
My desire/design from beginning/the beginning of all things, it all.

29. All now reigns supreme in surrender.
My faith, not; surrender.
Of myself I can do, enforce, nothing at all.
I bring about my father's words by speaking them, becoming them, having eaten them; my breath and life are. I love you all.

30. Peace in/to Jerusalem.
Zion stands erect.
My head lifted.
Tabernacle made with hands, not: unmade; not made with hands now rising, complete. I love you all.

31. My sister my love, my family, my father of fathers reign supreme/Melchizedek, one. I love you.

32. *New organization comes.* **I am ready for/in all.**

33. They are ready, come to your crowning, not; your surrender imperial/imperial surrender.

34. Thames one, many times, throughout centuries.

35. I am one/now. You me now take proclaim my wordship wordflow throughout centuries everlasting eternal.

36. I am one. I am happy/joyful and joy-filled. You too, be, please. Ever full. Me alone. **I have it all, ready.**

One.

Me.

Thank you.
Amen.
